

## RE : Discontinued Products

December 22, 2021

To whom it may concern,

Due to decreasing demand, Kodak announces the immediate discontinuance of the following products:

KODAK VERSAMAT 885 Developer Starter / To make 34 L **1997915**  
KODAK VERSAMAT 885 Developer Replenisher / To make 60 L **8270548**

We will continue to offer the following product as long as business conditions justify:

KODAK VERSAMAT 885 Fixer and Replenisher / Parts A and B / To make 38 L  
**1305002**

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Thomas J. Brennan".
